21 August 2026

Dear Parents/Guardians,

END OF YEAR (EOY) EXAMINATIONS FOR PRIMARY 5

Please note that the EOY Examination will be conducted in Term 4 of 2026. Please refer to Annex 1 for the detailed timetable, examination format, and assessment scope of the various papers.

Health and Well-being

The health and well-being of our students remain our utmost priority. If your child/ward is unwell during the assessment period, we strongly encourage you to keep them at home to rest and recover, as sitting for an assessment while unwell may not accurately reflect their true abilities.

Should your child/ward be unable to sit for any assessment, an official letter such as a medical certificate must be produced upon their return. Please note that students who are absent without valid reasons will be given a zero for the assessment and there will be no make-up assessment. To support their learning, absentees will be allowed to attempt the pen-and-paper examination at home and submit the completed papers to their subject teachers for feedback.

Examination Rules

Your child/ward is not permitted to bring any unauthorised electronic devices into the examination room. This includes mobile phones, cameras, tablets, smart watches, smart glasses and pens with image-capturing capabilities — essentially any device capable of capturing, storing, displaying or transmitting visual, audio or verbal information. Please be aware that students found with such items will be considered to have cheated. As cheating is a serious offence, your child/ward may be disqualified from the examination if caught cheating or attempting to do so.

We appreciate your continued support in encouraging your child/ward to put in their best effort in preparation for the End of Year Examination.

Thank you.

Yours sincerely,

Mdm Jumaeyah Binte Zainal Abidin
for Curriculum and Assessment Committee

**EAST SPRING PRIMARY SCHOOL
END OF YEAR EXAMINATIONS 2026
TIME-TABLE
PRIMARY 5**
